IN THE MATTER OF THE LICENSE OF

Administrative Action

ASIF MAHMUD, M.D. License No. MA64983 FINAL ORDER
OF DISCIPLINE

TO PRACTICE MEDICINE AND SURGERY IN THE STATE OF NEW JERSEY

IEW JERSEY

This matter was opened to the New Jersey State Board of Medical Examiners upon receipt of information which the Board has reviewed and on which the following findings of fact and conclusions of law are made.

FINDINGS OF FACT

- 1. Respondent Asif Mahmud, M.D., License No. MA64983, is a physician licensed in the State of New Jersey since November 1, 1996. Respondent's New Jersey license is currently active and is scheduled for renewal on June 30, 2005.
- 2. On or about November 4, 2003 the United States District Court, Eastern District of New York filed a Judgment In A Criminal Case after Respondent pleaded guilty to Count I of a one count Information on January 26, 2001 for receipt of kickbacks from Medicare and Medicaid Fraud in violation of 42 USC 13209-76(b)(1)(B). Respondent was assessed a fine of \$20,000 and a criminal monetary assessment of \$100.00. He was sentenced to a two (2) month term of imprisonment and upon release from imprisonment, he

shall be on supervised release for a three year term, four months of which shall include participation in the Home Detention Program. The Judgment also contains a provision which requires Respondent to be delivered, upon release from imprisonment, to a duly authorized immigration official to determine if deportation is appropriate.

- 3. On or about May 3, 2001 Respondent knowingly gave an inaccurate response to question 4 on a reinstatement application filed with this Board. Specifically, he answered "No" to the question, "Are there any criminal charges against you now pending?"
- 4. On or about February 27, 2004 Respondent was excluded from participation in the Medicare, Medicaid and all Federal health care programs as defined in Section 1128 B(f) of the Social Security Act.

CONCLUSIONS OF LAW

The above actions provide grounds fur the suspension of Respondent's license to practice medicine and surgery in New Jersey in that it is based on findings that would give rise to discipline in this State for Respondent having been convicted of a crime involving moral turpitude or relating adversely to the practice of medicine pursuant to N.J.S.A. 45:1-21(f) and for Respondent failing to disclose the filing of the Information on January 19, 2001 and his January 26, 2001 plea of guilty in the U.S. District Court on the renewal application dated May 3, 2001 pursuant to N.J.S.A. 45:1-21(b).

Based on the foregoing findings and conclusions, a Provisional Order of Discipline revoking Respondent's License to practice medicine and surgery in the State of New Jersey was entered on September 14, 2004 and a copy was forwarded to Respondent at the last known address on file with the Board. The provisional Order was subject to finalization by the Board at 5:00 p.m. on the 30th business day following entry unless Respondent requested a modification or dismissal of the stated Findings of Fact or Conclusions of Law by submitting a written request for modification or dismissal setting forth in writing any and all reasons why said findings and conclusions should be modified or dismissed and submitting any and all documents or other written evidence supporting Respondent's request for consideration and reasons therefor.

The Provisional Order sent by means of certified mail was returned marked "return to sender.," and the regular mail was returned marked "moved, not forwardable." Because the Order was forwarded to Respondent's address of record, the Board deems service to have been effected. Accordingly, it determined that further proceedings were not necessary and that the Provisional Order should be made final.

ACCORDINGLY, IT IS ON THIS 12th DAY OF April 2005, ORDERED that:

- 1. Respondent's license to practice medicine and surgery in the State of New Jersey is hereby suspended indefinitely until such time as he can demonstrate he has satisfied all. of the terms and conditions set forth in the November 4, 2003 Judgment In A Criminal Case, including the payment of all fines and assessments and completion of the terms of imprisonment and probation, as well as the reinstatement of his right to participate in Medicare and Medicaid Programs.
- 2. Prior to resuming active practice in New Jersey, Respondent shall be required to appear before the Board (or a committee thereof) to demonstrate fitness to resume practice in a manner consistent with the public's health, safety and welfare. In addition, the Board reserves the sight to place restrictions on Respondent's practice should his license be reinstated.
